Topics Discussed:

During this meeting, we reviewed our SPS requirements document where we added some new features, and everyone agreed on the project requirements. Moreover, we discussed on detail what a file report will be. How a case will look. If we should have different types of cases. How a complaint will work. All these questions were answered.

Decisions Made:

1. We agreed on SPS requirements document.
2. We described how a police report will look like.
3. We agreed on the type of cases we are going to cover.

Tasks Assigned:

1. Simple implementation of code for this week.
2. Database should be fully completed.
3. Study for midterms.
